Principal's Message

3-Way Conferences

It was gratifying to see the number of parents and students that attended the three way conferences last week. The aim was for students, parents and teachers to share their knowledge and work together to improve the educational outcomes for all students. The setting of educational goals and the close partnership between school and home can only benefit the students' education. Many thanks to the large number of parents in attendance, and to the teachers for giving of their time to gain an understanding of their students and to set goals for the students' future success.

National Day Of Action Against Bullying And Violence.

Friday 17 March was the "National Day of Action Against Bullying and Violence". On assemblies and in classrooms during this week, we will take the opportunity to reinforce that bullying and violence are not okay in our society or our school. We will particularly focus on "taking a stand together" and the role of bystanders in taking action to stop bullying or violence by telling an adult about the behaviour. Thank you to the many parents who have continued to support our "Keep your hands and feet to yourself" rule by reinforcing this with their children or by reporting incidents to the teacher on duty, their class teacher or the office so they can be dealt with quickly and effectively with minimum disruption to learning. It is vital for parents to support the school in maintaining a safe and supportive environment by reporting such incidents even if they occur outside of school, so that students understand that there is always a consequence for their actions. We need to work together to ensure that our students understand that physical aggression and teasing others are not the way in which to solve problems and that we teach them more effective ways to deal with situations.

Sometimes, it can be difficult for parents or carers to know what to do when their child talks to them about bullying. You are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

If your child talks to you about bullying:

1. Listen calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need to: who, what, where, when. Although you may feel some strong emotions about your child's experience,

try to keep calm to avoid more distress to your child.

2. Reassure your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, 'That sounds really hard to deal with. No one should have to put up with that.' or 'I'm so glad you told me. You should be able to feel safe at school; that's not fair at all'.

3. Ask your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.

4. Visit www.bullyingnoway.gov.au to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.

5. Contact the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child's teacher and, if you need to, ask to talk with the principal. Contact the school immediately if you have a concern about your child's safety.

6. Check in regularly with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important.

If you are looking for support for yourself to deal with a bullying situation, you will find ideas on the Bullying. No Way! website for parents. As well, please contact the school if you would like to discuss any aspect of our approach to preventing bullying. Thanks for your support to make our school a great school for everyone.

Withdrawing a child from NAPLAN testing

Parents may apply to have their child withdrawn from doing all of the tests or a certain test or tests. The decision to withdraw a child from NAPLAN testing must be done in consultation with either the Principal or Deputy Principal at the school. Application for withdrawal must address issues such as: religious beliefs and/or philosophical objections to testing. The **deadline** for submitting applications for withdrawal is **Monday 8th May** (the day before testing begins). If you know that you do not want your child to engage in NAPLAN testing, please contact the school as soon as possible.

Further information about NAPLAN testing will be provided in upcoming newsletters.

Term 1 Disco

The first Disco for the year was held on Thursday. The Theme for the Junior Disco was "Super Heroes" and the theme for the Senior Disco was "Sports". It was great to see so many students and parents in attendance for our first disco of the year. The prizes for the most creative costumes were:

Junior Disco: Tyler & Winter

Senior Disco: Chloe & Summer

Long Service Leave

As of next week Mr and Mrs Carleton will be on long service leave. They are travelling to South America and as part of this trip, they will have the opportunity to visit Misminay, a small community located at 3,500m above sea level on the Chinchero high plains. They will also be visiting a school. At Misminay they will help the local people install a water filter to enable them to have clean drinking water and also give the children a number of toys donated by the Commonwealth Bank (from the student banking program). They will return to school on Monday of Week 2 Term 2, the 24 April. In Mr Carleton's absence, Mrs Davis will be acting as Principal, Mr Gislingham, Deputy Principal and Mr Gerhardt will be

undertaking the role of Behaviour Teacher.

Easter Bonnet Parade

The Easter Bonnet Parade for students in Prep to Year 2 will be held on Friday 31 March at 2.00pm in the Woodgate Hall. All parents are welcome to join us for this joyous occasion.

Responsible Behaviour Plan

In the last couple of newsletters, I published the Be Safe, Be Proud and Be Respectful Rules. This week I am exploring the **Be a Learner Rule**. We revise these rules with students each term and I ask that you revise these rules with your child/ren to further reinforce their importance.

BE A LEARNER

1. Come prepared and be on time.
2. Use the four steps of listening (ears open, eyes on speaker, mouth closed, sitting still).
3. Have a go and always do your best.
4. Raise your hand to ask a question and wait.
5. Allow others to learn without interruption.
6. Follow teachers' instructions.
7. Give and receive feedback.

Upper Coomera Author Visit and Somerset Celebration of Literature

On Tuesday 14 March, 48 students from Years 4 and 5 will be visiting an author workshop at the Upper

Coomera Community Centre to hear two authors speak about writing children's literature.

On Friday 17th March, select Year 6 students will travel to Somerset College. The aims of the activity are to provide students with an insight into how authors are inspired to write and how they craft their writing. Students will attend three different author sessions on the day.

SMS Absence Alerts

Parents/Caregivers are advised that the school will be using Mobile phone Short Message Service (SMS) to send text messages to parents notifying unexplained absence.

Parents will be informed by mobile phone Short Message System (SMS) each time their child is away from school and no explanation of the absence has been provided. At Gaven State School, student attendance is a high priority. We know that students who attend regularly are more likely to be successful. To improve our attendance procedures, we will be informing parents/caregivers about any unexplained absences for their child. The school expects parents/caregiver to contact the school in advance if they know their child is to be absent.

An SMS text message will be automatically sent to the mobile phones of parents explaining that our records show that your child is absent from school. The message will come from the phone number 0418 125 029 and read as follows:

Gaven SS records show Joe Smith is absent 23/6/13. Pls reply SMS/MSG student name/absence reason/absence date

Parents and caregivers with iPhones or Android phones can also benefit by installing **School Star**, a highly secure, easy to use smartphone app. This allows you to receive and reply to important messages from the school for free.

Benefiting You and Your Child

1. **You have the right to know that your child is safe.**

If your child has not arrived at school, you need to know immediately.

2. **Your child deserves the best possible chance of success.**

Regular attendance is a key factor in school success.

3. **You deserve the most responsive delivery system available.**

A text message direct to your mobile phone is fast, effective and discrete. For parents with **School Star**, message delivery is first attempted as a notification through the app. However, if the in-app message isn't opened within a few minutes, the system automatically sends an SMS, to ensure that the important message reaches you, no matter what.

1. **You must have immediate notification in times of crisis.**

There may be times when we will need to reach a large number of parents instantly.

What Parents Must Do Gaven State School is taking important steps to benefit your child. This is a shared responsibility, and parents must also help the school.

1. **Keep your mobile phone details up to date.** Make sure we have your current mobile phone number, and notify us immediately if this number changes.
2. **Notify the school in advance when your child is absent (Before 9.15am).** If you notify us as soon as you know your child will be absent, we will know your child is safe, and will not need to contact you. A School Star text message sent to us is the best way to do this.

3. **Respond to messages from the school.** If you receive an absence message from us, please respond via School Star or return SMS. We need to know why your child is absent.
4. **If you receive a message you believe is an error, please phone the school**

For example if you receive a message and your child was dropped off/sent to school

If you don't have a mobile phone...Details of low-cost phone plans ideal for parents who want to benefit from the new system are available from mobile phone providers. We will maintain our existing contact methods for parents who do not have mobile phones.

Footsteps - Educating Through Movement

Footsteps – Educating Through Movement

In term 2 Gaven State School is delighted to be working with Footsteps Dance Company to provide 40 minute weekly dance classes to all students from prep to year 6.

The cost for 10 lessons over 10 weeks is \$20 which will need to be paid before the first lesson.

Participating students will attend their 40 minute lesson in their year level. Non-participating students will be supervised by one of the teachers on their year level.

More information will be given as we get closer to the end of this term. This will include a permission note and payment details.

PPP Parenting Program

PPP PARENTING PROGRAM: Starts Thursday 30TH March 9am -10:30 with tea, coffee, biscuits and a play area or creche provided (when possible). The program has been sponsored by the State Government AND SO WE CAN PROVIDE THIS PROGRAM FREE OF CHARGE!

What is Triple P/ Positive Parenting Program?

“The Triple P program is not telling us how to be a parent; it's giving us the tools to be better at it.”
Louise, mum of two.

Kids don't come with an instruction manual. Whether you're a mum, dad, single parent family, step parenting or a carer – the Triple P positive parenting program can help you with a specific problem, or provide tips on parenting and help with understanding your child's development and behaviour.

The Triple P positive parenting program is for parents with children aged 3–8 years. The program gives you the tools to:

- encourage behaviour you like from your child
- deal positively and consistently with problem behaviour
- take the stress out of parenting.

Triple P can also help to develop family relationships assisting children to reach their full potential.

Developed by the University of Queensland Parent and Family Support Centre, Triple P parent groups have helped families in Australia and throughout the world for more than 30 years.

How does the Triple P program work?

Seminars are the ideal introduction to Triple P. They consist of three 90 minute sessions that will leave you feeling more confident and ready to deal with common childhood behavioural issues. These are stand alone seminars so you can choose to come to one or all three.

The Power of Positive Parenting- Thursday 30TH March 9am -10:30

Share Talk Read

Reading with under fives matters

City Libraries will be delivering a program called Share,TalkandRead at Gaven State School. This program is funded by the State Library of Queensland through the **First 5 Forever** program. The program sessions are **FREE** and will be facilitated by library staff. Facilitators will set up a pop-up library in the **Prep playground on a Wednesday morning between 8.30-10.30am**, during the school terms, with the first session commencing on **Wednesday, 08 February**. Parents/caregivers, you and your young children (aged 0-5 years) are invited to attend. Children currently enrolled in Prep classes at Gaven State School will be able to participate too, if they are accompanied by their parent/caregiver. Please pop in and join us at these sessions on a **Wednesday morning, anytime during 8.30-10.30am**. No need to book, just come along. If it is raining, we will hold the sessions in the undercover area near the Prep/Year 1 and Year 2 classrooms.

If you would like to know more about the **Share,TalkandRead** sessions at Gaven State School, please see the **attached flyer** and/or contact **Vikki Hill** (Gaven State School Head of Curriculum) on **07-55147333** vhill1@eq.edu.au or **City Libraries** on **07-55816788**.

Kiss\'n\'Go Procedure

Please find attached an information pamphlet which outlines the correct procedures for our Kiss'n'Go Zone.

We would like to thank parents for their patience, support and understanding whilst we establish this very important safety procedure.

Remember

- The two minute loading zone is enforceable by law.
- If your children are not able to be loaded within two minutes the law requires that you drive out of the zone.
- You should either find a parking space elsewhere and locate your children in the school grounds, or join the back of the queue.
- It is both illegal and inconsiderate to overstay your time in the loading zone.

A new approach to using the 2 minute loading zone

This is for the safety of your children

For further information contact your Road Safety Office on 1300 360 135

A Word From Your Road Safety Officer

Each year you could pick up your child or children from school over 200 times and many other parents do the same.

Your school does everything reasonable to ensure your children remain safe and do not get injured when being dropped off or picked up.

To further enhance the safety of your children the school SafeST Committee has adopted the Look Out program to make it easier and quicker for children to get to and from school.

Congestion is always a major aspect of any school environment. By using the Look Out program congestion will be reduced and children can wait in a safe place.

Look Out can only work with the cooperation of everyone who uses the zone and a commitment to the program by your school and individuals alike.

This brochure explains how the program works »»

The Look Out! Steps

Step 1

Queue and display your family name tag on the dash.

Step 2

Wait while your children are called.

Step 3

Stay in your car until your children arrive.

Step 4

Load your children & their bags without delay.

Step 5

Ensure seat belts are secure then leave safely.

If your children are not ready leave the zone and rejoin the queue or find a parking space then look for your children in the school grounds.

We would like to draw your attention to BPoint, our preferred method of payment. Once you have received an invoice from the school via email you will notice down the bottom the reference to BPoint. Student Arrival Times and Attendance

Student Arrival Times and Attendance

We have been tracking the attendance rate of students and the large volume of students that have been arriving late. Under the Education Act, a child (by law) must attend school each day from start to finish. Exclusion from school during the six hours of learning time, should only be for extenuating circumstances like illness. Having the day off for their birthday or going on a family holiday during the school term is not considered an acceptable reason. When these children return from holiday they can experience feelings of anxiety and stress about being 'behind' the other students. We acknowledge that sometimes a 'one-off' holiday is unavoidable (for many reasons) however, for those families that are doing this on a regular basis, this is impacting upon your child's learning in more ways than one, as we know every day counts!

What can Parents do to help their children?

Children must attend school every day, and they must attend from the moment the first bell rings until the final bell is rung to dismiss them. Below is a table which outlines just how much schooling a child misses when they arrive late to school. It is quite alarming to see how much just 10 minutes a day can build up.

He/ She is only missing just....	That equals....	Which is.....	& over 13 yrs of schooling that's...
10 mins per day	50 mins per week	Nearly 1.5 weeks per year	Nearly <u>½ YEAR</u>
20 mins per day	1hr 40 mins per week	Over 2.5 weeks per year	Nearly <u>1 YEAR</u>
Half hour per day	Half a day per week	4 weeks per year	Nearly <u>1½ YEARS</u>
1hr per day	1 day per wk	8 weeks per year	Over <u>2½ YEARS</u>
