Term 2 2017 - Issue 9

Principal's Message

Interschool Sports

Monday saw the third of our Cluster Sports Days with some great weather and fixtures. All of our teams continue to be competitive thanks to the training undertaken by our wonderful group of staff coaches. The commitment, skills, behaviour and sportsmanship of the various teams has always been a feature of Gaven state School, and this current crop of team has not let us down. Well done to everyone involved. Next Monday will be the last round of interschool sport and will include the grand finals for each of the sports. Results of the second round are below.

The following teams have qualified for the grand finals:

AFL

Junior A and Junior B Soccer

Junior A Touch have made it into the Semi Finals which will be played on Saturday.

Twilight Professional Development Session for Teachers

On Wednesday, all of our Teachers were involved in a 2 hour after school professional development session. Teachers were involved in one of the following four workshops – Speech Sound Pics, the Guaranteed and Viable Curriculum for Mathematics, the Guaranteed and Viable Curriculum for English or the Guaranteed and Viable Curriculum for Specialist Teachers. I would like to commend all of the staff for their commitment to both achieving the goals of their performance plans and most importantly to providing the best possible education for students. Thank you also to Mrs Davis, Mrs Hill, Mrs Carleton and Mr Gislingham who facilitated the various sessions.

Parliament House Visit

On Wednesday 14 June, our Year 6 students will be visiting Parliament House in Brisbane as part of their History and Civics studies. They will be taking the train to Brisbane and as well as Parliament House will be visiting the Science Centre. My thanks to Mrs Mutch and the Year 6 teachers for organising this valuable trip for the year 6 students.

Year 6 Showcase Day at Pacific Pines State High School

On Thursday 15 June about 60 of our Year 6 students will be attending the Showcase day at Pacific Pines State High School. This forms part of their transition to high school next year. Students will have the opportunity to experience high school subjects by undertaking a number of electives on this day. They will be accompanied by Miss Kleinschmidt and Miss Monk.

AFL Queensland Cup Round 1

On Wednesday 21 June, our AFL Excellence students will be taking part in the first round of the AFL Cup Competition. We will be fielding three teams – essentially a senior boys' team, a junior boys' team and a girls' team. Last year our senior boys made the state final of this competition, so it will be interesting to see how well this year's team go. They will be accompanied by Mr Gislingham, Mr Lee and Mr Abercrombie.

Junior Writers' Festival

On the same day, we have 20 Year 5 and 6 students attending the Junior Writers' Festival at Griffith University. This festival, organised by Coombabah State High School, is designed to extend our more capable writers. Students will be accompanied by Miss Monk.

School Disco

Our school Disco for term 2 will be held on Thursday 15 June. The Junior Disco theme is "80's" and will run from 5.30pm-6.30pm and the Senior Disco's theme is "Black and White" and will run from 6.30pm-8.00pm. There will be prizes for the most creative costume (home-made), best dancers and game winners. Senior students will not be allowed in the Junior Disco and so should only arrive just before the Senior Disco at 6.30pm. Cost will be \$4 per student.

Artist in Residence

Gaven State School will once again be holding its famous Art Show in the Woodgate Hall from 3.30-6.00 on Thursday 22 June. All students are invited to submit a piece of art work for the show. The art work can either be the piece completed as part of the Artist in Residence Program or a piece of work done in class. A prize is given for the piece of work judged to be the best in each year level by our visiting artist. This is an amazing display of the artistic talents of our students and is not to be missed. Entry into the art show costs a gold coin.

Report Cards

A reminder that the Australian Curriculum has increased the expectations for our students.

Under the new curriculum, Gaven students are assessed against the same standards as all other students at their year level, in every Australian state and territory. Whether or not a student receives an A, B or C on their report card will depend on how well they have achieved the **required national standard**, not on how well they have done compared to others in their class.

Mums and Dads sometimes feel disappointed if their child has one or more 'C's on their report card. This can be because they understand a 'C' to mean 'average'. However, a 'C' does not mean average. A 'C' is something to celebrate! Achieving a 'C' means that a student has achieved the **required standard for their year level** as outlined in the Australian Curriculum. In general, it means that students can remember and understand learning considered essential for their age.

Students who achieve As and Bs are usually required to demonstrate some kind of 'higher order thinking, like applying learning to design a solution to a challenging problem. Getting 100/100 on a test does not guarantee an 'A', unless the test includes questions that requires the more advanced thinking associated with an 'A' standard in the Australian Curriculum. Of course, it is FANTASTIC when a student achieves an A or a B, and ALL of our children are encouraged to strive for excellence. That said, you can feel justly proud if your child achieves a C and should let them know that they have

performed well.

Students receive a 'D' when they have not yet achieved the required standard, but are working towards it and continue to learn and develop. Students who receive an 'E' are experiencing difficulty and require intervention and support. Whatever mark your child receives, the teacher's comments will tell you how hard they are trying and describe the progress being made.

This year, Report Cards will be handed out to students in conjunction with a Parent/Teacher Interview mostly on either Wednesday 21 and Thursday 22 June (In conjunction with the Art Show). If you are unable to make an interview, the report cards will go home with students in the last week of the school term. If you have not received a report card, please see your child's Teacher.

Behaviour Certificates

The first semester behaviour awards will also be distributed at this interview. In accordance with our promotion of high expectations for student behaviour, students are now required to earn these certificate levels through recognition of behaviour in the classroom, the playground, the specialist lessons and extra-curricular activities eg sport, incursions, excursions etc. As with the marks outlined in a previous newsletter, a C (Bronze Certificate) indicates that a student has achieved the required standard and this should be acknowledged. Silver and Bronze Certificates are only given to students with – Silver Certificate (Very Good Behaviour) and Gold Certificate (Exemplary Behaviour). While certificates are given according to criteria and are not based on numbers, we estimate that only a handful of students will receive the gold or silver level.

Swimming

In Term 3 we are providing the opportunity for all of our Years P-2 students to participate in an

8 week "Learn to Swim/Stroke Correction" program from Week 2 to Week 9 of next term (17th July through to 8th September). Lessons will be conducted on either a Tuesday or Thursday and will be half an hour long. The aim of the program is to provide students with essential swimming skills. Payment is due Friday 16th June.

Toys at School

We have seen a recent rise in toys being brought to school. We would like to remind parents and students that, as part of our school rules, toys are to be left at home and not to be brought to school.

Regional Cross Country

Regional Cross Country

Four students represented our school and district in the regional cross country championship on Tuesday. They all performed incredibly well with Jacob 6B coming in 22nd, Aisha 6D coming 22nd, Bella 5B coming 24th and Jade 6A coming 34th. Well done to all students!!!

Student Achievement

National Calisthenics Championships

Tiarnie B has been selected to represent Queensland at the National Calisthenics Championships in Sydney in July 2017.

She has been extremely busy every weekend since January this year training very hard every Sunday travelling to the Sunshine Coast for 4-6 hours per training session, and travel on top of that.

Congratulations Tiarnie and we wish you all the best!

AFL State Championship

Two students, Campbell and Marcello from 6A are currently in Mackay representing our school and the South Coast region in the State AFL championships. We wish them the best of luck. Well done boys!!!

SMS Absence Alerts

Parents/Caregivers are advised that the school will be using Mobile phone Short Message Service (SMS) to send text messages to parents notifying unexplained absence.

Parents will be informed by mobile phone Short Message System (SMS) each time their child is away from school and no explanation of the absence has been provided. At Gaven State School, student attendance is a high priority. We know that students who attend regularly are more likely to be successful. To improve our attendance procedures, we will be informing parents/caregivers about any unexplained absences for their child. The school expects parents/caregiver to contact the school in advance if they know their child is to be absent.

An SMS text message will be automatically sent to the mobile phones of parents explaining that our records show that your child is absent from school. The message will come from the phone number 0418 125 029 and read as follows:

Gaven SS records show Joe Smith is absent 23/6/13. Pls reply SMS/MSG student name/absence reason/absence date

Parents and caregivers with iPhones or Android phones can also benefit by installing **School Star**, a highly secure, easy to use smartphone app. This allows you to receive and reply to important messages from the school for free.

Benefiting You and Your Child

1. **You have the right to know that your child is safe.**

If your child has not arrived at school, you need to know immediately.

2. **Your child deserves the best possible chance of success.**

Regular attendance is a key factor in school success.

3. **You deserve the most responsive delivery system available.**

A text message direct to your mobile phone is fast, effective and discrete. For parents with **School Star**, message delivery is first attempted as a notification through the app. However, if the in-app message isn't opened within a few minutes, the system automatically sends an SMS, to ensure that the important message reaches you, no matter what.

1. **You must have immediate notification in times of crisis.**

There may be times when we will need to reach a large number of parents instantly.

What Parents Must DoGaven State School is taking important steps to benefit your child. This is a shared responsibility, and parents must also help the school.

1. **Keep your mobile phone details up to date.**Make sure we have your current mobile phone number, and notify us immediately if this number changes.
2. **Notify the school in advance when your child is absent (Before 9.15am).**If you notify us as soon as you know your child will be absent, we will know your child is safe, and will not need to contact you. A School Star text message sent to us is the best way to do this.
3. **Respond to messages from the school.**If you receive an absence message from us, please respond via School Star or return SMS. We need to know why your child is absent.
4. **If you receive a message you believe is an error, please phone the school**

For example if you receive a message and your child was dropped off/sent to school

If you don't have a mobile phone...Details of low-cost phone plans ideal for parents who want to benefit from the new system are available from mobile phone providers. We will maintain our existing contact methods for parents who do not have mobile phones.

PPP Parenting Program

PPP PARENTING PROGRAM: Term 2 Thursday 8th June "Raising Confident, Competent Children" 9am -10:30 with tea, coffee, biscuits and a play area or creche provided (when possible). **The program has been sponsored by the State Government AND SO WE CAN PROVIDE THIS PROGRAM FREE OF CHARGE!**

What is Triple P/ Positive Parenting Program?

"The Triple P program is not telling us how to be a parent; it's giving us the tools to be better at it."
Louise, mum of two.

Kids don't come with an instruction manual. Whether you're a mum, dad, single parent family, step parenting or a carer – the Triple P positive parenting program can help you with a specific problem, or provide tips on parenting and help with understanding your child's development and behaviour.

The Triple P positive parenting program is for parents with children aged 3–8 years. The program gives you the tools to:

- encourage behaviour you like from your child
- deal positively and consistently with problem behaviour
- take the stress out of parenting.

Triple P can also help to develop family relationships assisting children to reach their full potential.

Developed by the University of Queensland Parent and Family Support Centre, Triple P parent groups have helped families in Australia and throughout the world for more than 30 years.

How does the Triple P program work?

Seminars are the ideal introduction to Triple P. They consist of three 90 minute sessions that will leave you feeling more confident and ready to deal with common childhood behavioural issues. These are stand alone seminars so you can choose to come to one or all three.

Kiss\\'n\\'Go Procedure

Please find attached an information pamphlet which outlines the correct procedures for our Kiss'n'Go Zone.

We would like to thank parents for their patience, support and understanding whilst we establish this very important safety procedure.

Remember

- The two minute loading zone is enforceable by law.
- If your children are not able to be loaded within two minutes the law requires that you drive out of the zone.
- You should either find a parking space elsewhere and locate your children in the school grounds, or join the back of the queue.
- It is both illegal and inconsiderate to overstay your time in the loading zone.

A new approach to using the 2 minute loading zone

This is for the safety of your children

For further information contact your Road Safety Office on 1300 360 135

A Word From Your Road Safety Officer

Each year you could pick up your child or children from school over 200 times and many other parents do the same.

Your school does everything reasonable to ensure your children remain safe and do not get injured when being dropped off or picked up.

To further enhance the safety of your children the school SafeST Committee has adopted the Look Out program to make it easier and quicker for children to get to and from school.

Congestion is always a major aspect of any school environment. By using the Look Out program congestion will be reduced and children can wait in a safe place.

Look Out can only work with the cooperation of everyone who uses the zone and a commitment to the program by your school and individuals alike.

This brochure explains how the program works »»

The Look Out! Steps

Step 1

Queue and display your family name tag on the dash.

Step 2

Wait while your children are called.

Step 3

Stay in your car until your children arrive.

Step 4

Load your children & their bags without delay.

Step 5

Ensure seat belts are secure then leave safely.

If your children are not ready leave the zone and rejoin the queue or find a parking space then look for your children in the school grounds.

We would like to draw your attention to BPoint, our preferred method of payment. Once you have received an invoice from the school via email you will notice down the bottom the reference to BPoint. Student Arrival Times and Attendance

Student Arrival Times and Attendance

We have been tracking the attendance rate of students and the large volume of students that have been arriving late. Under the Education Act, a child (by law) must attend school each day from start to finish. Exclusion from school during the six hours of learning time, should only be for extenuating circumstances like illness. Having the day off for their birthday or going on a family holiday during the school term is not considered an acceptable reason. When these children return from holiday they can experience feelings of anxiety and stress about being 'behind' the other students. We acknowledge that sometimes a 'one-off' holiday is unavoidable (for many reasons) however, for those families that are doing this on a regular basis, this is impacting upon your child's learning in more ways than one, as we know every day counts!

What can Parents do to help their children?

Children must attend school every day, and they must attend from the moment the first bell rings until the final bell is rung to dismiss them. Below is a table which outlines just how much schooling a child misses when they arrive late to school. It is quite alarming to see how much just 10 minutes a day can build up.

He/ She is only missing just....	That equals....	Which is.....	& over 13 yrs of schooling that's...
10 mins per day	50 mins per week	Nearly 1.5 weeks per year	Nearly <u>½ YEAR</u>
20 mins per day	1hr 40 mins per week	Over 2.5 weeks per year	Nearly <u>1 YEAR</u>
Half hour per day	Half a day per week	4 weeks per year	Nearly <u>1½ YEARS</u>
1hr per day	1 day per wk	8 weeks per year	Over <u>2¼ YEARS</u>
