

Term 4 Curriculum Overview

Prep 2026

Pride
Respect
Learning

English

Narrative Texts

Reading and Viewing

- read, view and comprehend texts, making connections between characters, settings and events, and to personal experiences
- identify the language features of texts including connections between print and images

Writing and Creating

- create short written texts, including retelling stories using words and images where appropriate
- retell, report information and state their thoughts, feelings and key ideas
- use words and phrases from learning and texts

Mathematics

Number and Algebra

- make connections between number names, numerals and position in the sequence of numbers from zero to at least 20
- compare the size of collections to at least 20
- partition and combine collections up to 10 in different ways, representing these with numbers
- copy and continue repeating patterns

HASS

Geography

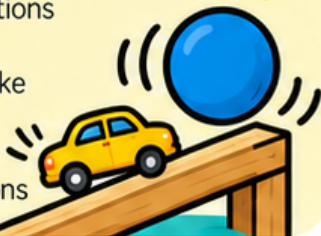

- recognise the features of familiar places, why some places are special to people and the ways they can care for them
- share a perspective and draw conclusions
- pose questions, and sort and record information from observations and provided sources

Science

Physical Sciences

- identify factors that influence the movement of objects
- pose questions and make predictions based on their experiences
- engage in investigations and make observations safely
- with guidance, compare their observations with their predictions
