

Term 4 Curriculum Overview

Year 2 2026

Pride
Respect
Learning

English

Narrative Texts

Reading and Viewing

- read, view and comprehend texts, identifying literal and inferred meaning, and how ideas are presented through characters and events
- describe how similar topics and information are presented through the structure of narrative and informative texts, and identify their language features and visual features

Writing and Creating

- create written and/or multimodal texts including stories to inform, express an opinion, adapt an idea or narrate for audiences
- use text structures to organise and link ideas for a purpose
- punctuate simple and compound sentences
- use topic-specific vocabulary

Mathematics

Number and Algebra

- order and represent numbers to at least 1000, apply knowledge of place value to partition, rearrange and rename two- and three-digit numbers in terms of their parts, and regroup partitioned numbers to assist in calculations
- describe and continue patterns that increase and decrease additively by a constant amount and identify missing elements in the pattern
- recall and demonstrate proficiency with addition and subtraction facts within 20 and multiplication facts for twos

1 2 3

HASS

Geography

- identify that those places can be spatially represented in different geographical divisions
- identify how people and places are interconnected both at local and broader scales
- develop questions, and collect, sort and record related information and data from observations and provided sources
- use interpretations to draw conclusions and make proposals
- use sources and subject-specific terms to present narratives and observations about the past, people and places at different scales

Science

Physical Sciences

- demonstrate how different sounds can be produced and describe the effect of sound energy on objects
- pose questions to explore observed patterns or relationships and make predictions based on experience
- suggest steps to be followed in an investigation and follow safe procedures to make and record observations
- use everyday and scientific vocabulary to communicate observations, findings and ideas
